How to use

1. **Everything is a link.** Tap a tab on the edge, a date, a week number or the path at the top of the page.
2. **Year → month → week → day.** Tap a day in any calendar to open it; tap a week number to open that week.
3. **Every day has a notes page.** Tap "Notes ›" on a daily page for a full page of lines.
4. **Every week has a review.** Tap "Review ›" on a weekly page.
5. **Start now.** November and December 2026 are included so you can set up before January.

On Kindle Scribe, send the PDF with Send to Kindle and keep it as a PDF so links and handwriting work. The ≡ tab opens the index from any page.
