How to use

1. **Everything is a link.** Tap a tab on the edge, a date, a week number or the path at the top of the page.
2. **Year → month → week → day.** Tap a day in any calendar to open it; tap a week number to open that week.
3. **Every day has a notes page.** Tap "Notes ›" on a daily page for a full page of lines.
4. **Every week has a review.** Tap "Review ›" on a weekly page.
5. **Start now.** November and December 2026 are included so you can set up before January.

Open the PDF in your tablet's PDF reader (see the Start Here guide) so links and handwriting work. The ≡ tab opens the index from any page.
